

JULY 27, 2012

Welcome to this week's edition of the E-Update, which contains information related to integration and your PBHCI grant project activities.

Have a technical assistance need? Send all requests to Emma Green at emmag@thenationalcouncil.org or call at 202-684-7457, ext. 251. The Center for Integrated Health Solutions provides technical assistance in all areas related to your integration efforts, including workforce issues, registries, wellness and health promotion, substance use, and peer support.

New on the CIHS Website

- **The Financing of Behavioral Health Services within FQHCs**
- **Johns Hopkins Studies: Cancer, Injuries More Likely in People with Mental Illness**

UPCOMING WEBINARS

Summer Webinar Series 2012 Addictions and Their Treatment

Hosted by American Academy of Addiction Psychiatry

Webinar courses running on Mondays in through August 20, 2012

12:00 PM - 1:00 PM EST

Click [here](#) to register

Topics:

July 30, 2012 Alcohol Use Disorders

August 6, 2012 Tobacco Use Disorders and Smoking Cessation

August 13, 2012 Club Drugs/ Marijuana Use Disorders
August 20, 2012 Opioid Use Disorders

CME Accreditation

This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint sponsorship of the Warren Alpert Medical School of Brown University and American Academy of Addiction Psychiatry. The Warren Alpert Medical School of Brown University is accredited by the ACCME to provide continuing medical education for physicians.

Credit Designation

The Warren Alpert Medical School of Brown University designates this live activity for a maximum of **7 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Objectives:

At the conclusion of this series, participants should be able to:

1. Describe new advances in the pharmacotherapy and psychotherapy of alcohol, cocaine, opioid and nicotine addictive disorders
2. Discuss the epidemiology of substance use disorders and their co-occurrence with other mental disorders
3. Describe the role of genetics in the risk for developing alcohol and drug use disorders
4. Identify the major neurobiological pathways involved in the addictive disorders
5. Identify the molecular mechanisms that are altered following drug and alcohol use
6. Assess appropriate treatment to most effectively address patients' substance use and mental health disorders and develop strategies for implementation

Recovery, Social Rehabilitation, and Living Tobacco Free

Presented by the Smoking Cessation Leadership Center

Tuesday, July 31, 2012

1:00 – 2:30 PM EST

To register: <http://smokingcessationleadership.ucsf.edu/Webinars.htm>

Please join The Smoking Cessation Leadership Center (SCLC) next webinar, *Recovery, Social Rehabilitation, and Living Tobacco Free*. Dori S. Hutchinson, Sc.D., Director of Services, Center for Psychiatric Rehabilitation at Boston University, and Associate Clinical Professor at Sargent College of Health and Rehabilitation Sciences at Boston University will present. The webinar objectives are:

- Provide a brief overview of the toll of tobacco among those with serious mental illness
- Discuss a framework for recovery
- Explain strategies to assess and develop readiness for recovery and social rehabilitation
- Describe the importance of the role of peers in tobacco cessation
- Study real life case studies

Accreditation:

The University of California, San Francisco (UCSF) School of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians and allied health professionals. UCSF designates this live activity for a maximum of **1.5 AMA PRA Category 1 Credits™**. Participants who join the LIVE session, on July 31, 2012, are eligible to earn up to 1.5 CME/CEU credits for a fee of \$25 per CME/CEU certificate. Physicians and allied health professionals should only claim credit commensurate with the extent of their participation in the webinar activity. Nurses, pharmacists, social workers, and other allied health professionals may also claim CE credits. Don't need to claim CME/CEUs? SCLC will issue a free certificate of attendance for those who need contact hours only.

For questions, contact Reason Reyes, SCLC Director of Technical Assistance, at reason.reyes@ucsf.edu, or call toll-free (877) 509-3786. This webinar will be recorded and may be viewed online on the [Smoking Cessation Leadership Center's website](#) after the presentation.

Latest Research & Promising Practices for Treating Tobacco in Smokers with Co-occurring Mental Illness

Presented by the Center for Tobacco Cessation

Tuesday, July 31, 2012

3:00 – 4:15 PM EST

Click [here](#) to register

Speaker:

Judith Prochaska, PhD, MPH - Dr. Prochaska is a licensed clinical psychologist, from Stanford University's Department of Medicine. Her research focuses on developing effective treatments for tobacco dependence and other leading health risk factors with a specific focus on populations with co-occurring disorders.

FALL LEARNING COMMUNITY REGIONAL MEETINGS

Register Now!

The SAMHSA-HRSA Center for Integrated Health Solutions is excited to offer you an opportunity to join your fellow grantees for a 1½ day in-person regional meeting. This meeting is an important part of the PBHCI Learning Community designed to support your integration efforts and address your needs. The dates and locations of the regional meetings are listed below.

Region	Dates	Location	Registration Link	Hotel Deadline
West (1)	Aug 23-24	Portland, OR	http://form.jotformpro.com/form/21524039656959	Jul 30
Central (2)	Sept 6-7	Phoenix, AZ	http://form.jotformpro.com/form/21524585332956	Aug 22
Southeast (3)	Sept 27-28	Tampa, FL	http://form.jotformpro.com/form/21524685730959	Aug 30
Midwest (4)	Sept 20-21	Chicago, IL	http://form.jotformpro.com/form/21524226908957	Aug 17
Northeast & Mid-Atlantic (5)	Sept 13-14	Hartford, CT	http://form.jotformpro.com/form/21524484585964	Aug 22

Hotel information, including the address, rate, and how to make reservations can be found on the grantee web page. To access, visit <http://www.integration.samhsa.gov/pbhci-learning-community>. Grantees are responsible for making their own hotel reservations. *Please note the cutoff date for reserving hotel rooms at the group rate (see above).*

Who Should Attend: Grantees should consider sending staff most closely involved in the implementation of the PBHCI project, including the project director, primary care partner, evaluator, wellness coordinator, and key HIT and clinical staff.

Travel Scholarships: In the event that PBHCI funds cannot support travel to the regional meeting, CIHS is offering a limited number of scholarships to help offset costs. Scholarships of up to \$600 per person may be used for transportation and hotel stay. There is a limit of one scholarship per grantee site; however, the \$600 stipend may be split among multiple individuals. To submit a scholarship request, e-mail Emma Green at emmag@thenationalcouncil.org.

Meeting Agenda: The meeting will begin at 1:00 pm on the first day and finish by 3:30 pm on the second day. Unfortunately, we will not be able to provide food at this meeting. The agenda includes many different topics for discussion as well as multiple opportunities to network with other grantees. CIHS Liaisons will share the agenda with grantees prior to the July regional group calls. Grantees will have an opportunity to provide feedback on the agenda during these calls.

RESOURCES

In Case You Missed It: Billing Behavioral Health Services Webinar Recording Now Available

On Thursday, July 26, Kathy Reynolds, CIHS Senior Consultant, presented on billing behavioral health services. Jenny Crawford of Family Services, Inc, and Bob Siegmann of Centerstone of Indiana also shared their experiences. The slides and recording from the webinar are now available:

Slides: [http://www.integration.samhsa.gov/pbhci-learning-community/Jul_2012 -

Johns Hopkins Studies: Cancer, Injuries More Likely in People with Mental Illness

People with serious mental illness —schizophrenia, bipolar disorder and disabling depression — are 2.6 times more likely to develop cancer than the general population, new [Johns Hopkins research](#) suggests.

The SAMHSA-HRSA Center for Integrated Health Solutions is a national training and technical assistance center dedicated to promoting the development of integrated primary and behavioral health services to better address the needs of individuals with mental health and substance use conditions, whether seen in specialty behavioral health or primary care provider settings.
